

E-Disclosure

Speakers: Dr Rita Esen & Bengoshi Ikuo Takahashi

Presented by Asia-Pacific Cyber-Law, Cybercrime and Internet Security Research Institute

Dr Esen will cover a number of topics and will provide an insight into the key areas of E-Disclosure. Areas to be covered include:

- * What constitutes a reasonable e-search?
- * Duties to preserve and disclose
- *The Exceptions
- *Standard and specific e-disclosures
- *Failure to conduct a reasonable e-search

Dr Esen is a Visiting Reader at the Northumbria University where she teaches Computer Crime Law, Digital Evidence Law , Corporate Computer Forensics Law and E-Disclosure. She has worked nationally and internationally on the legally sensitive areas of cybercrime investigations and computer data authentication/admissibility, developing a reputation for professionalism, expertise and competence.

Ikuo Takahashi is a Japanese Bengoshi, who is a pioneer in introducing E-discovery in Japan.
